

Ways you can help/ Ideas to get you started...

Are you willing to allow us to put out a Donation Container? Simply let us know and we will provide you with a labeled container & have a volunteer stop to pick the contents up monthly or more often if necessary.

DO YOUR EMPLOYEES HAVE A CHILD/GRANDCHILD WHO ATTENDS NCS? OR ANY SCHOOL AGE STUDENT IN THEIR LIFE?

Kids love to help out ~ Have the student & your employee pledge grades. When report cards come in have your employee pledge that if the student achieves specific grades they agree to donate a specific amount in that students name & maybe you as their employer agree to match or contribute to a set amount. When making this type of donation in the student's name send in a copy of our "Donation Pledge Form" putting the students name & company name in the acknowledgement area so when the Napoleon Food Pantry posts acknowledgements they are recognized. This helps to encourage high academic achievement while giving back to the community. Employees want to be inspired to achieve positive results. Positive employees contribute to the success of any organization.

Adopt A Cause

Encourage your employees to adopt the Napoleon Food Pantry by pledging a specific dollar amount per pay period or perhaps allowing them to wear casual clothes on a specific day each week in exchange for a specific donation (for example \$2.00 per every Wednesday/ Blue jean Fridays for \$5.00 week/ etc) OR simply put a box out for weekly donations with a set goal for (for example fill the box) with a set reward for meeting that goal. Maybe lunch on you or matching donation? Remember great teams work towards common goals and generosity and attitude are contagious.
