February 7, 2017

Dear Valued Community Member,

Every year during the holiday season staff members & student led groups in our district work hard to raise funds and collect donations that help provide for local families during the holiday season through our Thanksgiving & Christmas Giving programs. Not long ago a concerned local business owner approached our Superintendent about the continuing need in our Community explaining how many Napoleon families continue to visit surrounding area food banks throughout the year.

Recognizing the need for action, NCS Administrators got to work creating a plan to house a food pantry within our district, a place where local families will have the opportunity to get necessary supplies when faced with rough times. The Napoleon Food Pantry area is ready and because we are aware that hunger knows no season, we are diligently working to fill our shelves through food drives in each of our buildings and by collecting donations in all of our NCS offices.

As local business owners you know that Community support is key. We'd like to encourage you to make a donation or consider pledging to be an ongoing sponsor. Your donation is tax deductible and 100% of all financial or non-perishable food donations will be used towards filling our shelves in support of local families. If you have any questions, you'd like someone to stop in and pick up your donation or if you would be willing to help in our efforts in any one of the ways shown on the enclosed flyer, please feel free to contact me. If we continue to work together we can take care of our families, our community. We appreciate your support.

Sincerely,

Scott Ashe

NHS Co-Principal, Athletic Director
