Your child's safety is most important to us. We recommend that an adult be present at bus stops to accompany children home from NCS summer bus stops. We do, however, understand that some parents wish to allow their students to walk to or walk home from bus stops. Please understand there are no cross-walks, crossing guards or adult supervision available for students after they get off the bus. NCS will not be responsible for students after they have exited the bus. Please mark and sign the area below for our files if you wish to give permission for the student(s) listed on the above permission slip to walk to and/or from NCS Summer Reading Program bus stops. Thank You

I give my permission for my child(ren) listed above to walk to and/or from NCS summer bus stops.
