October 2017 NHS
MEETING MINUTES

Attended by: Cami West, Jodi Negus, Jessica Roth, Lisa Bradley, Linda Smith, Angie Warner, Daasha Webster, Christy Davis

Guest: Jamie Viers

7:02 pm - Cami brings meeting to order

Treasurer's Report - Presented by Lisa Bradley. Accepted.

We have purchased 2 volleyball systems, repair and upgrade of baseball backstop, new umbrella for ticket takers

Homecoming - Purchased Glow Foam Sticks and green cowbells to be handed out at the game. We are in need of 3 buckets and possibly some aprons for 50/50. Cami to check into getting something from the Feed Mill.

Concession Stand - Next year we are going to set up a system where all concession groups have at least 2 points of contact. Those people need to give an email address or phone number so they can be contacted. A walk through will be required for each point of contact. They must have someone to open and close.

We also need a better system with taking inventory and shopping. For track season we are going to require each booster board member to one week of concessions. It will be their responsibility to make sure the assigned shopper has proper notice and a shopping list for that week. Some discussion on how to keep track of inventory. A few ideas were given. We will try to find the best way at a later date.

Store - Store is running smoothly and we are now using the "Square" in the store.

Cash Bash - Everyone should have their first batch of 5 tickets. We need to start getting the word out and get people thinking about it.

Next Meeting - 11/08/2017 7:00 pm.

Meeting Adjourned 8:30 pm
