

January News

January will continue our home and family study as we discuss our homes keeping us warm during these cold winter months. We will also talk about how we spend time with our family, if we have any pets in our homes, how we take care of those pets and our other jobs that we have at home.

If you haven't already, please remember to sign up for the REMIND updates by texting **@ka8fgbc to 81010.**

Please also check your child's folder every night for important notes and updates.

The giving season doesn't end with Christmas...

Part of our social-emotional learning in preschool is discovering what makes us feel good. We are accepting donations to the Cascade's Humane Society in our Classroom until January 23rd. Since we received presents last month, this month we will have a social-emotional focus on good deeds like giving to the animals in need. The listed items are needed, if you're able to donate, and we will discuss these donations throughout the month as well as how it makes us feel to be able to give to those animals.
