

March News

Four Year Old
Preschool

Miss Brandi

The color of
the month is
PURPLE

March is READING MONTH –

This month we will visit the library
In Napoleon for our field trip.

Stay tuned for a date and time when
permission slips are sent home!

Important Dates:

March 4th: Happy Birthday Avery B!

March 27th: Happy Birthday Charlie R!

March 28th: **Purple** day! Wearing something purple
and bring in a purple show & tell item to share!

Happy Birthday Emerson!

We will continue our space study in the beginning of this month! As we shift gears in to spring we will start a study on weather and nature as the month ends. We will also be focusing on the letters A, K & N. We will follow a “March is Reading Month” theme with lots of emphasis on how important literacy is for our preschoolers!

As winter continues in to March, please remember that if Eby has a snow day, we do as well. If there is a two hour delay for Eby, morning preschool will be cancelled but we will have afternoon preschool like normal.

Please continue to send snow clothes as we will go outside when the real feel temperature is above 32 degrees. As we dive in to spring, we look forward to warmer weather and more opportunities to play outside.
