

## News

The remainder of the year we will be using the creative curriculum to lead a ball study!

This opens up the opportunity for children to experiment through play with how friction and gravity effect the movement of a ball, the idea of a spherical shape and how it changes speed and direction when the path is changed or interrupted, upon so many other things.

Please feel free to send me a remind message at any time with questions regarding the end of the year and all of our upcoming events!

### Important Dates:

May 9<sup>th</sup> – Muffins with Mom @ 10:45

May 17<sup>th</sup> – Happy Birthday Melody!

***Our last day of Preschool is May 23<sup>rd</sup>.***

***Please join us on this day for an ice cream social, you and your child will not need to stay for the entirety of scheduled preschool class.***

May 31<sup>st</sup> – Happy Birthday Selena!

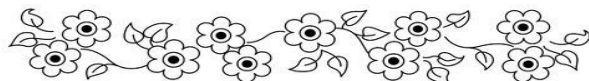

3 Year Old  
Preschool

Miss Brandi  
& Miss Lori

### **Use it or lose it!**

Working with your child over the summer encourages them to remain successful when the next school year starts. Simple activities like pointing to shapes of road signs or colors of passing cars while traveling helps to ensure your child doesn't lose all they have learned!

### **This month:**

Our color of the month is

**BLUE**

***We will review ALL letters of the alphabet!***
