

News

The remainder of the year we will be using the creative curriculum to lead a ball study!

This opens up the opportunity for children to experiment through play with how friction and gravity effect the movement of a ball, the idea of a spherical shape and how it changes speed and direction when the path is changed or interrupted, upon so many other things.

Please feel free to send me a remind message at any time with questions regarding the end of the year and all of our upcoming events!

This month:

4 Year Old
Preschool

Our color of the
month is

BLUE

Miss Brandi

K FOR A DAY is coming up!

This is an important date where your child will become acquainted with Young 5 & Kindergarten Teachers, on **May 1st** Please meet in the classroom at **12:30**, remain with your child for a bus ride to the elementary school to visit classrooms and attend a presentation in the gymnasium.

Parents MUST attend, we ask that you do not bring siblings on this day.

There will be NO regularly scheduled Preschool.

MAY 8th IS ORIENTATION! Please sign up for K/Young 5s online and schedule your orientation when completing your paperwork in the office.

Important Dates:

May 1st – K for a Day

May 6th – Happy Birthday Drew!

May 8th – Assessments/Orientation

May 9th – Muffins with Mom @ 2:45

May 20th – Happy Birthday River!

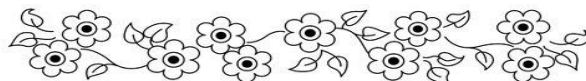

May 23rd - Happy Birthday

Maeleigh & Harmony!

May 22nd – Graduation at 5:30 PM

**Our last day of Preschool is
May 23rd.**

Please join us on this day for an ice cream social, you and your child will not need to stay for the entirety of scheduled preschool class.

Use it or lose it!

Working with your child over the summer encourages them to remain successful when the next school year starts.

Simple activities like pointing to shapes of road signs or colors of passing cars while traveling helps to ensure your child doesn't lose all they have learned!
