

Our study this month is all about the weather and the changes going on outside! We will discuss not only Spring weather, but the different types of weather we have seen throughout the school year and how the weather effects our home & school routine. Talk to your child about the forecast and how to plan for the next day depending on the weather!

REMIND updates: Text @978kef to 81010

Please also check your child's folder every night for important notes and information

K FOR A DAY!

On **May 1st** our little Pirate's will have the opportunity to be Kindergartener's for the day! Please meet in the classroom **at 12:30**, remain with your child for a bus ride to the elementary school to get acquainted with the teachers and a presentation in the gymnasium. **Parents MUST attend, we ask that you do not bring siblings on this day.** There will be **NO** regularly scheduled Preschool class.

MAY 8th IS ORIENTATION! Please call **517-905-5720** to schedule with **Karen** A.S.A.P This may be during preschool, but your child will be excused to go with you for screening.

Gross motor play is an important part of a Preschooler's day!

We will go outside as weather allows, so please pack your rain boots, but remember that shoes will need to be worn in the room! We practice indoor large muscle exercises each day we don't make it out to the playground.
