Upon completion of enrollment all Ackerson Lake High School students receive a standard welcome email from ALHS Principal, Mr. Zach Kanaan containing the following information.

Welcome ALHS Student,

Below is the link to the e2020 Home/Login page and your credentials for logging in.

username is **(insert username)**

password is **(insert password)**

Your mentor teacher is (ALHS teacher assigned). I have included (assigned teacher) in this email.

Your schedule consists of 7 classes. On e2020 they will show up in 1, 2, or 3 parts for example:

Econ A= AL Economics 1A and AL Economics 1B

Spanish 2A= AL Spanish IIA

Classes are broken down into 2 or more parts so we can average the grades and give you the best chance of passing each class. So even though you only have 7 classes it will look like you have 12 on e2020. I know it may be confusing so if you have any questions or need anything at all please let me know. Also, (insert mentor) will be reaching out to you twice a week and will most likely include your parent in those emails. This is a state law for students who aren't physically in attendance. Please respond as needed; your response is a requirement. If you have any questions or concerns feel free to contact your mentor teacher or myself.

Have a great year,

Mr. Zach Kanaan
