SUPERINTENDENT'S REPORT

Well we survived last week. We are truly hoping we can stay face to face for the remainder of the school year. We will continue to be vigilant on our COVID-19 safety protocols and are keeping our fingers crossed.

We continue to test our spring athletes. Last week we had three positives out of 145 tests. We had 10 students test positive from outside activities and were quarantined. By going virtual last week, we are hoping for the best for the remainder of the school year. As of today, we had zero test positive out of 125 athletes tested today.

Just a quick reminder that we are going to honor staff athletic passes for our spring sports events. When our Varsity Girls Softball team played Columbia last Tuesday, it looked like a football game, with so many cars in the parking lot.

We are administering the PSAT, SAT and MME tests this week at the High School. M-Step will be administered to 5th graders. PSAT will be administered to 8th graders. We want to wish all staff and students good luck.

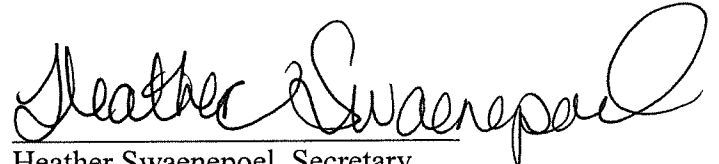

BOARD REPORT

President Bostedor reported that there will be Summer Conferences offered to Board members. These conferences offer CBA classes and are a great resource for newer board members.

ADJOURNMENT

MOTION by DAVIS, supported by SWAENEPHEL, that the Board meeting be adjourned. All Ayes.
