

# September

*Hello and welcome to  
Pirate's Cove 2021-2022*

*Three-Year-Old*

*Preschool Program!*

*We look forward to spending  
the year with you!*

*This month, we will all adjust to  
the Preschool environment and  
our new classroom. We will  
learn new social skills and how to  
use them when playing and  
learning with our friends. We will  
also be exploring the classroom  
so we can easily locate where we  
keep our learning materials, how  
to put them away when we are  
finished using them and how to  
share them. Mostly, we will get  
to know each other and  
have a lot of fun!*

Color of the month:
