School Annual Education Report (AER) Cover Letter

February 9, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for Ezra Eby Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mr. Michel McGonegal or Mrs. Jessica Holbrook for assistance.

The AER is available for you to review electronically by visiting the following website <https://bit.ly/3YM4X1f>, or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, Ezra Eby Elementary was not labeled.

Our school has a yearly School Improvement Plan that addresses areas of concern in all core curriculum areas. Our School Improvement Plan works off of our curriculum maps and these are updated each year. These maps are living documents that are constantly being updated to show adjustments in curriculum as the year progresses. Anyone that is interested in looking at our core curriculum maps can find them in the Ezra Eby Elementary office. We are currently planning on providing surveys to students, parents, and staff to update our focus areas and ensure that we are giving the most effective education possible to our learners. Our aggregate student achievement results can be found at www.mischooldata.org.

We appreciate our parent support and it is shown yearly at our Parent/Teacher Conferences. During the 20/21 school year, our parent participation was 99% and for this current year, our parent participation was 97%. It is important to have parent involvement and it is appreciated by our staff and administration.

We would like to recognize our parents and families and efforts they show each year to support their students and our staff. Without this support, education does not have the richness and wealth that each student needs to demonstrate success. It is your involvement and continued support that makes Eby the best place to be!

Sincerely,

Michel McGonegal
Principal
Ezra Eby Elementary

Jessica Holbrook
Assistant Principal
Ezra Eby Elementary
